4. At the beginning of October 2004, a local law enforcement agency was contacted by the family of the child victim in this case regarding information they received about the child victim, a 14 year old male (hereinafter "child victim"), who was

having contact via phone and computer with adults. The child victim and his family are from Beaver County, Western Pennsylvania. The family believed that the child victim may have been having sexual relations with the adults he was corresponding with on the phone and the computer.

5. Shortly thereafter, law enforcement officers interviewed the child victim. The child victim informed the law enforcement officers that he has been in contact with numerous adult men and juvenile boys online via email and chat rooms. The child victim also indicated that he met some of those men and juvenile boys in person.

6. One of the men the child victim said he met was identified by the child victim as "Mike." The child victim indicated that Mike is from Moon Township and is approximately 25 years old. The child victim indicated he met Mike in an online chat room in June and met him in person the same day. The child victim indicated that Mike picked him up at the child victim's home. During their first meeting, Mike kept rubbing his leg trying to touch his penis area, but the child victim pushed his hands away. On September 10, 2004, Mike came to the child victim's home and drove him to Mike's home in Moon Township. Mike gave the child victim a massage and performed oral and anal sex on him. After the sexual intercourse, the child victim cleaned himself up and Mike drove him home. The child victim provided Mike's phone number as

724 513 1684.

7. The child victim, when shown a photographic lineup that contained six photographs, identified Michael Murdoch as the individual he identified as "Mike" and with whom he had sexual relationship. The child victim identified "mikey21boi" as the screen name for Mike.

8. The child victim's computer was recovered and a preliminary forensic examination was undertaken. A sexually explicit chat between the child victim and mikey21boi was recovered. It is attached hereto as Exhibit 1 and incorporated herein by reference as though fully set forth herein. The chat is dated July 22, 2004.

9. During the chat, mikey21boi and the child victim have a sexually explicit conversation and mikey21boi asks the child victim to take a sexually explicit picture of himself and send it to him. At the end of the chat, they arrange to meet.

10. Information from America On Line indicates that an alternative email address for mikey21boi is ysucutieboi@hotmail.com. We have information from a confidential source indicating that Murdoch attended Youngstown State University.

11. We have confirmed that the phone number 724 513 1684 is registered to Michael Murdoch.

12. The phone number 724 513 1684 was found programmed

into the cell phone the child victim was using. Toll records confirm contact between the child victim's cell phone and Murdoch's cell phone.

13. Murdoch's address, according to Crescent Township Police Department, is 264 Spring Run Manor, Apartment #4, Crescent Township, Pennsylvania. The child victim took police officers to this address, indicating this is where Murdoch took him to have sex.

14. Murdoch's date of birth is December 16, 1981.

15. The Pennsylvania Crime Code, 18 PACS §§ 3123, involuntary deviate sexual intercourse and § 6301, corruption of the morals of a minor, and § 6318, unlawful contact with a minor, each prohibit the above-mentioned sexual contact between an adult and a minor.

16. I am aware that 18 U.S.C. §2422 provides:

§ 2422. Coercion and enticement

(a) Whoever knowingly persuades, induces, entices, or coerces any individual to travel in interstate or foreign commerce, or in any Territory or Possession of the United States, to engage in prostitution, or in any sexual activity for which any person can be charged with a criminal offense, or attempts to do so, shall be fined under this title or imprisoned not more than 20 years, or both.

(b) Whoever, using the mail or any facility or means of interstate or foreign commerce, or within the special maritime and territorial jurisdiction of the United States knowingly persuades, induces, entices, or coerces any individual who has not attained the age of 18 years, to engage in prostitution or any sexual

activity for which any person can be charged with a criminal offense, or attempts to do so, shall be fined under this title and imprisoned not less than 5 years and not more than 30 years.

17. Based on this information, your affiant submits there is probable cause to believe that Michael Murdoch violated Title 18, United States Code, Sections 2422, by using the mail or any facility or means of interstate or foreign commerce, to knowingly persuade, induce, entice, or coerce any individual who has not attained the age of 18 years, to engage in prostitution or any sexual activity for which any person can be charged with a criminal offense, or attempted to do so.

18. In consideration of the foregoing, Your Affiant respectfully requests that this Court issue an order authorizing the arrest of Michael Murdoch on charges of coercion and enticement in violation of Title 18, United States Code, Section 2422(b)..
